## Farmers Market/Sales Associates Contractor

**Date posted**

May 9, 2019

### Description

We represent a brand of Ethnic products that strives to keep the authenticity of our recipes by reducing the quantity of each spice. This helps us attain the level of quality we look for. We want our customers to enjoy our seasonings and condiments and in so doing, we have refined our traditional recipes to meet today's ideology of cooking healthy and leading a healthy lifestyle.

We are looking to selectively add a Farmers Market/Sales Associates talent in the company. Sales experience is necessary but not required. The best candidate should show consistency to earn top dollar and a lover of hot relishes and seasonings.

### Responsibilities

We are looking to hire Farmers Market/Sales Associates contractor for the summer season! This job is a part-time seasonal contract position. The farmers market dates and locations vary. If hired, the person filling this position will be given a set schedule starting in June/July – July/August- Sept/October

The right candidate will be professional, able to engage with customers, and be friendly while selling, promoting the company and informing customers about our products. This position involves working outdoors – rain or shine. The right candidate will be strong, able to lift 60 lbs. and carry around products boxes, farmers market equipment (pop-up tent, table, etc.) Knowledge of selling is essential since this is a product sales position.

When applying, please indicate your availability, your specific skills, and abilities that correlate with this position, and why you are interested in working with our company in your cover letter.
